

Positive action pledge

We can make simple changes in our day-to-day life to make a positive difference! Check out the sustainability actions below and make a pledge.

Which positive action/s are going to take?

| | | | | |
|--|--|---|---|---|
| Increase my use of public transport to get to work or shops | Install a native wildlife nesting box | Volunteer with a community group | Visit a national park | Buy food in bulk using reusable containers |
| Start a compost or worm farm | Grow my own vegetables or herbs | Purchase only second-hand items this month | Spend time nature journaling | Cycle to work when possible this week |
| Install a water saving shower head | Use only reusable shopping bags | Plant a native tree | Connect with a local community garden | Install a native bee hotel and suitable plants in the garden |
| Capture and reuse water | Turn appliances off at the power point to reduce energy consumption | Install a water-saving wicking bed garden | Use reusable takeaway cups and water bottle | Declutter my home and donate items |
| Support an environmental cause | Practice yoga, meditation or mindfulness | Share excess produce with neighbours/friends | Buy only locally grown fruit and vegetables this month | Eliminate soft plastic purchases and recycle at RedCycle when needed |
